BYSO

Boston Youth Symphony Orchestras (BYSO) is one of the most prestigious, comprehensive and remarkable youth orchestras in the nation. Our programmatic scope includes three full symphonic orchestras, two young string training orchestras, six chamber orchestras, a preparatory wind ensemble, a chamber music program, and a nationally recognized training program that provides rigorous instruction to students from underrepresented communities.

Together, we are makers of music, defenders of curiosity, and champions of courage. Through the brilliance of classical music and the gift of human connection, we celebrate the individual—both in standing out and finding one's place in the composition of our world.

GALA

Join us in-person on March 4, 2023, for a special celebration of the harmony we create through shared musical and personal connections.

Music is about feeling, and through every moment, our children, families, supporters, and friends uncover meaning through sound. With more than 500 students in our programs and thousands of other BYSO community members, we believe music brings out the best in all of us. Together, we can be more.
