AUDITION REPERTOIRE AND REQUIREMENTS

BYSO auditions are open to students entering grades K-12. Please follow the audition standards that most closely match your current level of playing. Candidates audition for BYSO – not a specific ensemble – and selected candidates will be placed in an orchestra based on level. Please note that due to the competitive nature of auditions, placement is not guaranteed, and BYSO members must re-audition each year.

Scales (by memory)

You will be asked to play scales that demonstrate your full command of the instrument and are across its entire range. The exact scale will be determined by the judges; see below for the expected level of scale familiarity for students at a given orchestra-level.

For BYS/REP Level:

- All 3-octave major and minor scales (form of candidate's choice), by memory

For JRO Level:

- 3-octave major and minor scales C, D, E, F & G, (form of candidate's choice), by memory

For YPSO Level:

- 3-octave major scales (C, D & E-flat), by memory

For PE Level:

- 2-octave major scales C, D, & E-flat, by memory

Solo Selections

Prepare two contrasting selections from your solo repertoire that demonstrate both a lyrical/slow and a technical/fast style of playing. Your prepared music should be chosen, in consultation with your teacher, from the standard solo literature for your instrument. Pieces from popular songbooks and band parts are not acceptable audition selections. Selections for applicants to PE should be at a minimum level of Suzuki Book 2.

Excerpts

All violists, except new applicants to Petit Ensemble, will be required to learn selected orchestral excerpts which will be released with the preliminary audition results in April.

Sight-Reading

All students may be asked to participate in sight-reading at the audition.
