A day of music, discovery, and connection!

235 Huntington Ave. Boston, MA

Support BYSO's Spring Fanfare

Boston Youth Symphony Orchestras (BYSO) is one of the most prestigious, comprehensive, and remarkable youth orchestras in the nation, serving over 500 students annually to develop courageous minds through musical excellence and belonging. The BYSO Youth Center for Music opened its doors in 2024, providing our young musicians, their families, our alumni, and the greater community with a home to continue striving for excellence.

BYSO's Spring Fanfare was established to welcome the broader community into our new space and to showcase everything that makes BYSO such a special organization. Throughout the day, attendees will have the opportunity to see a wide range of performances by BYSO students, interact with and learn more about various instruments, enjoy family-friendly activities for all ages, and ultimately learn more about BYSO's programming and opportunities.

Spring Fanfare Sponsors will have the opportunity to:

- Advertise through Fanfare promotional materials/communications before, during, and after the event
- Host an informational or activity table at the event for additional engagement opportunities with our attendees
- Support the mission of BYSO and be recognized as a sponsor
